Re: DeCosmis v. Township of Weehawken, et. al.  
Civil Action No. 08-5221 (MCA-JAD)  
Our File No. 082013-06

Dear Judge Arleo:

Counsel are in receipt of your April 20, 2015 Order adjourning the trial. Two issues have arisen regarding the interpretation of order amongst counsel:

1. In the second sentence there are two "not"s, creating a double negative. It would seem that the first "not" should not be there. Please advise; and
2. Was the deadline to raise said issues with the Magistrate Judge intended to be August 30, 2015, i.e. four months away?

Your clarification on these issues would be helpful.

Thank you for your attention to this matter.

Respectfully Submitted,

  
David F. Corrigan
